Hardworking, dedicated and a fast learner are some of the traits I would describe myself as. I have over 7 years' experience in warehouse facilities and would love to start somewhere I can grow in

## Work Experience

---

### **Processor/ Inventory control**

McLane - Fredericksburg, VA

March 2020 to Present

Ensure products returned from stores are accounted for. Tobacco credits are given and returned products are scanned back into warehouse inventory. Account for all damages so they can be taken out of inventory and stored for discharge. In charge of e-commerce orders shipped through FedEx and UPS. Cycle counted all racks through different departments.

### **Stocker**

McLane Company - Fredericksburg, VA

June 2015 to Present

Unload cases off of pallets and then we cut the boxes so that they are able to be removed. We stack on roller until full then we stock them in the rack.

### **Copy and Print Associate**

Office Depot

November 2014 to August 2015

As a copy and print associate I do a wide variety of things such as designing poster, printing, creating booklets, making business cards, ordering checks etc. Anything that requires a computer or a design that needs to be done I do.

### **Flooring Associate**

Home Depot

January 2014 to October 2014

As a flooring associate my first and foremost objective was to provide great customer service and to give customers a sense of perspective going into their overall project. I was in charge of setting up measures for install, collecting payment, answering phone, loading, pulling orders, packing out freight, shelf maintenance and setting up quotes.

### **Outside Maintenance**

Hardee's - Fredericksburg, VA

August 2012 to November 2012

As an outside man I was to do all the heavy lifting requirements as well as cleaning up inside and out. I had unloaded products off the truck and placed them in their respective places and took pride in keeping maintenance off restaurant clean.

## **Crew Member**

Connecticut Conservation Corp

May 2012 to July 2012

This was a workforce group where we had assembled furniture for log cabins and sanded and painted them to get ready for renting them out for camping out in the park. We also cleaned up around park, cut trees and planted new ones to make look nice for rent.
