Authorized to work in the US for any employer

Work Experience

Maintenance Technician

Sorrel River Ranch-Moab, UT

July 2024 to Present

electrical, Plumbing, Remodeling, welding, fabrication, landscaping, farming, animal care.....

1st Class Pipe Welder

MARINETTE MARINE CORPORATION-Marinette, WI

April 2018

Pipe welder

Stainless steel,

Copper nickel,

Carbon steel

1st class pipe welder

Structural Welder/Fabricator

McArthur Welding-Saint George, UT

December 2024 to June 2025

Welder/ Fabricator

INDUSTRIAL FABRICATION-Bridgman, MI

June 2022 to November 2024

Fabrication, fixtures, Robots.

Heavy to light.

Caterpillar, Bobcat...ect

Welder/Fabricator

Liberty Steel Fabrication, Inc.-Saint Joseph, MI

August 2020 to 2021

Welder/Boilermaker

Becker Boiler company-Milwaukee, WI

September 2019 to 2020

Stick welder,

Pipe fitter,

Electrical,

Boiler construction and repair

1st Class Pipe Welder

MARINETTE MARINE CORPORATION-Marinette, WI
April 2018 to June 2019

Pipe welder
Stainless steel,
Copper nickel,
Carbon steel

1st Class Pipe Welder

Strom Worldwide@ Marinette Marine Corporation-Marinette, WI
August 2013 to April 2018

Carbon, stainless, copper nickel,
Tig, Stick,

1st class pipe welder

Strom Worldwide@ Marinette Marine Corporation-Marinette, WI
August 2013 to April 2018

1st Class Pipe Welder,
Carbon, stainless, copper nickel,
Tig, Stick,

1st Class Pipe Welder

Huntington Ingalls ind-Avondale, LA
February 2010 to July 2012

FCAW, ACAG, Socket fittings, Flanges, Sleeves and Bulkhead. Penetrations, EB Rings, Open Root 6gr NDT Certified, Mirror welding.

Pipe Welder

Semcor, Inc-La Porte, IN

February 2001 to November 2003

Electrical enclosures,

Pipe Welder

Semcor, Inc-LaPorte, IN

February 2001 to November 2003

Electrical enclosures,

Supervisor, Pipe/Tubbing Welder/Fabricator/Fitter

ELF Machinery-La Porte, IN

April 1998 to March 2001

Fabricated and welded Stainless steel tanks, and tubing. Developed standard operating procedures, Implemented quality control, Chairperson the Safety Committee

Supervisor, Pipe/Tubbing Welder/Fabricator/Fitter

ELF Machinery-La Porte, IN

April 1998 to March 2001

5s Lean Management

Fabricated and welded Stainless steel tanks, and tubing. Developed standard operating procedures, Implemented quality control, Chairperson the Safety Committee

Education

GED

St. Joseph High School

Trade school

Skills

- Mentoring
- Carbon steel
- Welding repair
- Construction plumbing
- Defect detection (quality control)
- Safety regulations
- AWS D1.1 standards
- Animal husbandry
- Brazing
- Tape measure proficiency
- Sawing
- HVAC
- MIG welding
- LATHE
- Ultrasonic testing
- Mechanical troubleshooting
- Fair Housing regulations
- Service technician experience
- Automotive welding equipment
- Stick welding
- 5S
- Heavy lifting
- Blueprint section views
- Security system
- Visual inspection for quality control
- Conflict management
- Schematics
- Isometric drawings
- Supervising experience
- Mowing
- Assembly drawings
- Welding clamps
- PLASMA
- Copper
- Mechanic experience

- Time management
- Interviewing
- Machining
- Boiler
- Grammar Experience
- Machine maintenance
- Titanium
- Leadership
- Welding positioners
- Microsoft Outlook
- Detail drawing interpretation
- Welding inspection
- Welding torches
- Drilling (cutting method)
- Stainless steel
- Plasma cutters
- Finished product defect inspection
- Assembly
- Problem-solving
- Aluminum
- Custodial experience
- Manufacturing facility
- Computer literacy
- Welding tables
- Plasma cutting
- Sketchup
- Cutting torches
- Gas metal arc welding
- Metal riveting
- Mild steel
- Siding
- Handyman experience
- Warehouse experience
- Equipment repair
- Continuous improvement
- Drafting
- Load & unload
- Construction painting
- FCAW
- Manufacturing company experience

- Outdoor work
- Resistance welding
- Communication skills
- Angle grinders
- Soldering
- GMP
- Lean
- Woodworking
- Tapping fabrication technique
- Reading weld symbols
- Renovation
- Welding
- Farm machinery
- Numeracy
- ASME codes & standards
- Production planning
- Project management
- Power tools
- Destructive testing
- Fabrication shop experience
- Driving
- Blueprint Reading
- Sheet metal
- Metal fabrication
- Precision measuring instruments
- Scissor lift
- Magnetic particle testing technique
- Marketing
- Horticulture
- PIPE WELDER
- Delivery driver experience
- Hand tools
- Automotive diagnostics
- Non-destructive Testing
- Appliance repair
- Radiographic testing technique
- Flux-cored welding
- Climbing
- Maintenance, repair and operations (MRO)
- Blueprint specification interpretation

- Mechanical knowledge
- Agriculture
- Organizational skills
- Crane
- Microsoft Excel
- Bolting fabrication technique
- Carpentry
- Electrical experience
- Computer skills
- Restaurant experience
- Microsoft Powerpoint
- Metal forming fabrication
- Nickel alloy
- Press brake machine
- Blueprint dimension interpretation
- Industrial equipment troubleshooting
- Fabrication - Fabrication experience (More than 20 years)
- CNC
- Rigging
- MIG
- Identifying materials in blueprints
- Preventative maintenance
- Automotive repair
- Welding equipment maintenance
- Saws
- Penetrant testing technique
- GPS
- Oxy-fuel welding
- Basic math
- TIG welding
- Cast iron
- Sales
- Brass

Languages

- English

Certifications and Licenses

Driver's License

Non-CDL Class C

Forklift Certification

OSHA 30

OSHA 10

Additional Information

S KILLS

5s Lean Management

- Manual Bridgeport Mill, Lathe, Press Brake, Shear, Rollers, Hand Tools, Plasma, Arc Gouging and Oxy Acetylene cutting, Stick, Mig, Tig Welding, all positions, Mirror Welding, 6gr Pipe Welder
