## Work Experience

---

### **Welder/Fabricator**

NuAir-Normal, IL

January 2010 to June 2025

I started entry level machine operator for CNC Laser tables and Mazak tube lasers. I completed weld classes paid for by the company and earned several certifications. I am proficient with all types of welding processes; MIG,TIG,FCAW,ECT.

I can understand blueprints.

I've operated forklifts for years, as well as other factory and warehouse equipment. All hand tools and large machines as well; drill press, lathes, saws, ECT.

### **Iyc Harrisburg**

Dojj-Harrisburg, IL

February 2008 to August 2008

I worked for a commercial janitorial service and underwent full training for nearly every aspect of janitorial duties. Including the proper ways to clean industrial and community buildings. Stripping, waxing, buffing floors to a mirror finish
