Skills

- Manufacturing
- Communication skills
- Skills: Data input to Kronos, BOM reading Nozzle drilling @ multiple degrees and different drills. Heat treat nozzles, heat treat univalves discs and valves. Heat treat cartridges seats. Close work orders Check inventory on JDE PDF drawing reading Basic information input to TranCollector Basic JDE Blue print reading Microsoft e-mail Microsoft word Honing machine Basic welding Use of Detroit 15K PSI 20K PSI unit Use of Cat 40K PSI unit Pallet jack use Stamping Use of hand tools; crescent wrenches, hex wrench, pipe wrench, screw drivers, pliers, grinders, saws, etc. (10+ years)
- Drilling machine
- Order picking
- Computer networking
- Citrix
- Analysis skills
- Problem-solving
- Microsoft Windows Server
- E-commerce
- Hand tools
- Assembly
- Welding
- Mechanical troubleshooting
- RF scanner
- Packer, shipper, Citrix receiver computer program. (Less than 1 year)
- Operating Systems
- Oracle

- Quality control
- Linux
- Active Directory (2 years)
- Computer Networking
- Pallet jack
- Reliability
- Kronos
- Quality assurance
- JD Edwards
- Quality Control
- Team Work

Languages

- Spanish - Native
- English - Fluent

Certifications and Licenses

Water blasting test certified

May 2006 to Present

Water blasting test. 5K psi up to 40K psi.

Hose, lance, gun, spin nozzles, orbijet, rotomag, rupture disc.

CDL

Non-CDL Class C

Driver's License

Additional Information

Academy Sports + Outdoors

Packer, shipper, print shipping labels, return labels, packing slips.

Deli clerk at Randall's stores

Night stocker at Kroger stores

Laguages

Speak/write English and Spanish
