## Work Experience

---

### **Service Department**

American DJ - Commerce, GA

January 2018 to Present

Every day we have a drop off from fed ex and ups which are items being returned from customers either Repair units or Credit units. Customers are able to do walk in drop offs and pick ups. When a customers arrives to pick up i assist them to get there unit or even to drop it off i make them a RMA help them out there their drop off and have them sign paperwork and have them going.

### **Receiver Clerk / customers Service department**

American DJ/ Elation professional lighting - Los Angeles, CA

January 2017 to Present

We are a big lighting company for concerts n big events ' My duty is mainly checking in units into the computer with the program Mass500 from what customers return back for credit or if the lights need to be repaired to our facility. Do mostly heavy lifting from the light putting them in there bin . Making a few phone calls to customers about their products coming back in and helping customers to get the repairs from our services department

### **Cherry Picker Operator**

Sagebrook Home - Commerce, CA

January 2019 to July 2021

Put on my safety harness ' would get orders from our supervisor and start pulling orders from level a to d ailes 18-50 about each we would pull out 100-250 pallets a day

### **Driver/Warehouse**

Lifoam Industries, LLC - Vernon, CA

June 2017 to October 2018

Was driving the truck to the other warehouse to deliver our merchandise and unload and put away the merchandise, accomplishment we did was doing 6 trips a day

### **Food Runner/Dishwasher/ barista**

Westside Tavern - Los Angeles, CA

September 2015 to July 2017

Take food and condiments to customers

### **Loader/Unloader**
