## Work Experience

---

### **Warehouse Associate/Forklift Operator**

3-WAY Logistics - Austin, TX

July 2022 to November 2022

After systems are secured and crate assembly is complete. The crates are then brought over to us for QA. We verify the paperwork matching the crate label and inspect for damage of crate. We scan crates into SMS Log using RF scanner and then find locations for the systems/crates after locations are found we use sit-down forklift to move systems/crates to designated location

### **Amazon Warehouse Associate**

Amazon - Pflugerville, TX

December 2021 to March 2022

Worked with the robotics in the warehouse picking and packing items out of totes to be shipped to customers .

### **Amazon Warehouse Associate**

Amazon.com - Austin, TX

May 2020 to January 2021

I was a sortation scanner for Amazon. The job consisted of scanning packages and sorting them into the correct bag location and once the bags became full we closed them out and stacked them for the next shift drivers.

### **Retail Reset Merchandiser**

SAS Select a service - Austin, TX

May 2018 to June 2019
