

Resume
Josh Merimon

Substantial experience w/multiple traffic control companies as I was working w/temp agencies. Attention to safety details of various traffic zoning & adherence to pedestrians crossing work zones. Completing jobs until their done.

Traffic Control/Seasonal
DQ Construction-Colorado Springs
08-2018 to 05-2023

Provide safe traffic flow conditions around work crews. Manage pedestrians hiking trails during air freight traffic through air.

Traffic Control/Seasonal
Labor finders-Colorado Springs, Co
06-2018 to 07-2023

Issue safe traffic flow conditions around work crews. Rode w/TCS for 3 months. While riding passenger I was informed daily on the many closures to set and if this was a day closure tear down was required. I know how to set arrow boards properly w/wheels of ground. Know how to set one ways. Know in downtown one has to double post. Being professional is not a problem.

Laborer/Driver's Helper
Ready Man Temp Service
03-2018 to June 2018

Threw concrete in skid steer. Moved glass doors. Carried heavy stuff. Helped driver unload trailers/box trucks at different locations.
