EXPERIENCE

Aerotek at Medtronic , Boulder, CO — *Assembler*

April 2025 - Oct 2025

Assembled medical devices in a line rotation. The device was a ligasure jaw seal-divider called Maryland XP, I cleaned and inspected medical devices. Reworked devices that were not approved for packing. Made safety reports.

Zucca Italian Ristorante, Louisville, CO — *Host, Busser, Expo*

March 2022 - February 2024

Greeted customers and planned out reservations for the day, kept rotation, took to-go orders, bussed tables, expedited food to customers, and supported the servers in any way that they needed.

Red Robin Gourmet Burgers and Brews, Broomfield, CO — *Line Cook*

October 2021- March 2022 - February 2024 - April 2025

Made salads, pizza, sandwiches, wraps and operated the fryer. I also learned teamwork and how to work with the expo efficiently. Hosting I sat tables and ran the floor, I took togo orders, etc. Service partner I bussed and ran food. Serving, taking orders etc.

CareFree Of Colorado RV, Broomfield, CO — *Assembler*

April 2020 - October 2021

Produced and assembled awnings for RV's, packed and organized materials, worked as a team to finish projects on time.

Green Gable Roofing LLC, Denver, CO — *General Construction Worker*

September 2019 - September 2020

Took down, printed, hanged, and cleaned gutters, roof repair, GACO application, drywall paint and texture. Various other projects including water, fire and smoke restoration/mitigation.

AZ Steel Builders, Denver, CO — *Welding Assistant*

April 2019 - April 2020

Assisted during welding projects, did a few welding repairs and projects.
