Fort Collins, CO 80526 | +1 970 215 9599 | [keithjackson888\\_a3r@indeedemail.com](mailto:keithjackson888_a3r@indeedemail.com)

Willing to relocate to: Spokane, WA - Denver, CO - Cedar Falls, IA

## Work Experience

---

### CNC Machinist

**Precision plus machining** | Fort Collins, CO

May 2021 to June 2025

Machinist II, set up machinist, lead mill machinist, 3 axis haas machine

### CNC Machinist II /Lead Man

**Precision Machined Products** | Fort Collins, CO

June 2024 to May 2025

Machinist II, set up haas machines, mazak 5 axis, DMG- Moro 5 axis mills

### Machinist

**Billet tech** | Loveland, CO

October 2019 to May 2021

Setting up 3 axis ahas machines. Running production and prototype parts for the navy. Programming parts.

### Machinist CNC

**Precision Machined Products** | Fort Collins, CO

November 2017 to September 2019

Set up five axis mazak nexus 510C-II 5X for prototype aerospace parts with .0005 + or - tolerances.

### CNC Machinist

**Precision Plus Machining** | Fort Collins, CO

April 2017 to November 2017

Set up and operate haas vertical mills too customers specs.

### CNC Machinist

**Manes Machine and Engineering** | Fort Collins, CO

September 2016 to January 2017

Operated and set up 5 axis machines, switch and adjusted problems, ran multiple machines

### CNC Machinist

**Machine Tool Engineering** | Charles City, IA

January 2012 to November 2015

Ran multiple machines, Ran production parts, inspected parts using various gauges, deburred parts, switch and adjust problems

### CNC Machine Operator

**Midwest Manufacturing** | Shell Rock, IA

February 2008 to October 2011

As lead operator I was required to,run multiple machines,switch and adjust programs,set up large bore Hess,inspection.

# Education

---

## Upper secondary education

### High school or equivalent

Aims Community College | Greeley, CO

# Skills

---

Axis Forklift Set up tooling for new jobs Cnc Machine Mastercam Mazak CNC programming  
Manufacturing Assembly Blueprint reading CNC CNC milling machine Mechanical Knowledge  
Reading and comprehensive of prints and symbols Cnc Mill Blueprint Machining Precision  
measuring instruments Microsoft Word Micrometer CNC lathe Properly use various gauges CAM  
programming Aerospace Calipers Mazatrol 5 axis Microsoft PowerPoint

# Additional Information

---

Authorized to work in the US for any employer
