I am seeking to secure a position with a great career opportunity, in a great working environment. I pride myself in my work ethics and I have a positive attitude, I appreciate individuals for who they are, and strive to bring out the best in people. I am dependable, energetic, self-motivated , and strong organization skills. I am dependable and a hard working self-starter. I am detailed oriented. I am able to take direction and also work well as a team. I am bilingual and a great communicator.

Authorized to work in the US for any employer
