## Professional Summary

---

Dynamic Mechanical Assembler with 4+ years of experience in production and precision assembly of medical and industrial components. Proficient in reading assembly drawings, making electrical connections, and using computer software for data recording and communication. Demonstrates reliability, quality control, and teamwork in a fast-paced environment.

## Work Experience

---

### **Production Operator**

Osypka Medtec-Longmont, CO

August 2024 to Present

- Assembled medical devices following detailed assembly drawings and quality standards for precision work
- Performed mechanical assembly using hand tools, soldering irons, and precision measuring instruments
- Crimped and made electrical connections as part of device assembly, ensuring secure and accurate wiring
- Maintained accurate documentation of production activities using computer software for data entry and records
- Adhered to Good Manufacturing Practices (GMP) and FDA regulations throughout assembly and testing processes
- Trained new employees on assembly techniques, quality standards, and safe work practices

### **Production Operator**

Danfoss Power Solutions-Longmont, CO

August 2021 to June 2024

- Performed manual and mechanical assembly of components using hand and power tools per assembly drawings
- Utilized crimping tools and made electrical connections, ensuring proper routing and secure fastening
- Interpreted technical and assembly drawings to complete products according to specifications
- Operated heavy machinery and precision tools to assemble, test, and inspect product components
- Assisted in training new employees on machine operation, safety protocols, and assembly procedures
- Maintained clean and organized workspaces, following safety and quality control standards
- Collaborated with team members to improve efficiency and product quality on the assembly line
- Communicated effectively with supervisors regarding work progress, challenges, and safety concerns

## Education

---

### **High School Diploma**

Aims Community College-Greeley, CO

Present

## Skills

---

- Mechanical assembly
- Assembly drawing reading
- Crimping
- Electrical connections
- Manual assembly
- Hand tools
- Quality control
- Precision measurement in machining
- Blueprint reading
- Assembly wiring
- Electrical soldering
- Data recording
- Word processing
- Computer operation
- Equipment troubleshooting

## Languages

---

- English
- Spanish

## Certifications and Licenses

---

### **Driver's License**
