Professional Summary

Dependable production and warehouse professional with 6+ years of experience in packaging, order fulfillment, and inventory management. Skilled in operating pallet jacks, RF scanners, and ERP systems while maintaining strict adherence to safety and quality standards. Strong team player with proven ability to meet production goals and perform physical tasks in fast-paced environments.

Work Experience

Warehouse associate

Denver, CO

September 2023 to May 2025

- Operated end-of-line packaging equipment and hand-packed finished goods, ensuring compliance with safety and quality standards
- Labeled and boxed finished products, utilizing scales, handheld scanners, and computer systems for accurate inventory tracking
- Loaded, unloaded, and stocked products on pallets and shelves, following established material handling procedures
- Maintained accurate production and inventory records, entering data into ERP systems and supporting cycle counting
- Performed cleaning and sanitation of work areas and equipment according to company protocols and schedules
- Adhered to OSHA and company safety regulations, including proper lifting techniques and use of pallet jacks
- Collaborated with team members to meet production targets and adapt to changing schedules or assignments
- Conducted quality checks on products before packaging, ensuring only defect-free items were shipped
- Managed returns and updated inventory, supporting overall warehouse efficiency and organization

Server

Denver, CO

June 2015 to October 2020

- Demonstrated effective communication and teamwork in a fast-paced, team-oriented environment
- Maintained cleanliness and sanitation of dining and service areas, adhering to food safety and company standards
- Managed multiple tasks simultaneously, including order taking, food delivery, and customer service during peak hours
- Assisted in training new staff on safety, cleanliness, and operational procedures
- Handled cash transactions and maintained accurate records, supporting efficient operations
- Adapted to changing schedules and job assignments, ensuring smooth service and customer satisfaction
- Provided exceptional customer service, resolving inquiries and concerns promptly and professionally
