Willing to relocate: Anywhere

Authorized to work in the US for any employer

Work Experience

Welder/Fabricator

Emerson-Boulder, CO

August 2023 to December 2024

Tig welding stainless steel coriolis meters.

Using some heavy machinery to fabricate parts.

Pneumatic tools to grind/polish parts to spec.

Following specifications to ensure part accuracy and quality.

Using heavy testing equipment to test parts pressurized with water up to 9000psi.

Maintaining a clean work environment while keeping safety a priority.

Working with others as a team to move product in a timely fashion.

5S to keep work in tip top shape.

Continuous improvements and working with engineering to make the job as simple and easy as possible. While keeping the customer happy by delivering a quality part as quick as possible.

Soldering/wiring parts.

Aerospace Welder

Magellan Aerospace-Middletown, OH

May 2022 to September 2022

TIG Welder/Fabricator

Barnes Aerospace-West Chester, OH

June 2019 to May 2020

Building OEM turbine components.

Tig welding stainless and inconel to spec per router or work instructions.

6g and 5f certified.

Grinding, polishing, finishing parts.

Using various tools to measure weld, and dimension requirements per spec on router/blueprint.

Filling out any necessary paperwork to certify parts before moving to next operation.

Welder

G.E. aviation-Dayton, OH

June 2018 to January 2019

Tig Welder

Standard Aero-Sharonville, OH

January 2017 to February 2018

- Reading blueprints or routers for weld specifications
- Welding various materials as thin as 0.010" using tig (GTAW)
- Using various measuring tools to measure weld buildup

Mechanic

Standard Aero-Sharonville, OH

September 2015 to January 2017

benchhand, assembly, nitric stripper)

- Heating/freezing various turbine components to be assembled/disassembled.
- Bench grinding thermal overspray, deburring, blending
- Stripping parts by dipping in nitric acid
- Using various measuring tools such as mics and calipers
- Cross training for welding

Ramp Operations Lead

DHL Express CVG Hub-Erlanger, KY

June 2014 to October 2016

Supervising ramp crews to marshal, unload, load various aircrafts

- Maintaining crew and aircraft safety
- Training Ramp Agents to effectively and safely do their jobs

Ramp Agent

DHL Express CVG Hub-Erlanger, KY

December 2012 to June 2014

Marshalling in/out, unloading, loading various aircrafts

- Making sure the operation is done in a safe manner
- Operating heavy equipment to load freight onto aircrafts
- Verifying the loads are correct and secure
- Pushback tug certified

Education

Upper secondary education

Ged

Diamond Oaks Cdc

Skills

- Blueprint reading
- Welding machines
- Orbital welding
- Stick welding
- GPS

- MIG welding
- Welder Fabricator
- Sheet Metal
- Welding
- Gtaw
- Warehouse experience
- AS9100
- Implementing lean manufacturing processes
- Cleaning
- ASME codes & standards
- Training
- Aluminum
- Welder experience
- Assembly drawings
- Manufacturing
- Fabrication
- Leadership
- Carpentry
- Hand tools
- MIG
- Stocking
- TIG welding
- Stainless steel
- Basic math
- Mentoring
- Attention to detail
- Power tools
- Following blueprint specifications

Certifications and Licenses

Driver's License

OSHA 10

Welding Certification

Drivers License

Aerospace welder

Certified in GTAW to weld on aerospace components.
