Authorized to work in the U.S. | Willing to relocate

PROFESSIONAL SUMMARY

Motivated and dependable warehouse professional with experience in high-volume order selection, shipping/receiving, and material handling. Skilled in using scanners, warehouse management systems, and industrial equipment to accurately pick, pack, and stage orders. Strong work ethic, physical stamina, and attention to detail, with proven ability to meet performance targets in fast-paced environments.

WORK EXPERIENCE

Order Selector | HEB – San Marcos, TX | Aug 2025 – Nov 2025

- Accurately pick and assemble customer orders using handheld scanners and digital pick lists.
- Operate pallet jacks and other material handling equipment to retrieve and transport product.
- Organize products by route, apply labels, and shrink-wrap pallets to prepare for shipment.
- Maintain inventory accuracy by scanning barcodes, verifying quantities, and reporting discrepancies.
- Stage completed orders at loading docks to support efficient outbound operations.
- Work in physically demanding conditions, lifting up to 75 lbs.

Fulfillment Associate | Amazon – Denver, CO | Nov 2022 – Jul 2025

- Picked, packed, and sorted customer orders using warehouse scanners and conveyor systems.
- Met or exceeded daily productivity goals in a fast-paced, high-volume environment.
- Maintained accuracy and quality by verifying items and resolving order discrepancies.
- Operated pallet jacks and material handling equipment to move products between work areas.
- Supported team workflow and trained new hires.

Construction Worker | William Scotsman – Denver, CO | Apr 2022 – Nov 2022

- Built modular units to customer specifications using power tools and carpentry techniques.
- Performed demolition and reconstruction, including flooring, walls, and ceilings.
- Maintained organized job sites and adhered to safety and building standards.

Package Handler | FedEx Ground – Thornton, CO | Jun 2020 – Apr 2022

- Loaded and unloaded trailers efficiently to support route schedules and delivery deadlines.
- Scanned packages, verified tracking information, and staged shipments for dispatch.
- Assisted managers with trailer documentation and outbound scheduling.
- Trained new employees on safe lifting, sorting, and loading techniques.

EDUCATION

High School Diploma

North Valley School for Young Adults – Thornton, CO | Aug 2019 – May 2021
