Work Experience

Residential cleaner

LJY Services LLC - Rochester, MN

July 2018 to Present

I go into clients houses and clean their house to the standard that they would like it. With this job you have to have good communication skills because you are always talking with clients. I change their bedding, dust everything, clean bathrooms and kitchen, clean windows, clean front of cabinets in bathroom and kitchen, vacuum and mop. We have time limit on how long we are they and I am always able to make the time limit. I also have done commercial cleaning for LJY Services with consists of cleaning office desks, cleaning the break room, conference rooms, taking garbage out, vacuuming and mopping.
