EXPERIENCE

Echostar, Denver, CO - Temp Worker

January 2025 - September 2025

- Download ~400 receivers under 8 hours with the latest and newest version of the models to assure the shipping department had the material they needed for their shipments.
- Packing raw items to meet the daily metric of 300 finished good kits and packages at the end of the day.
- Consistently flexed into 8 different areas to keep normal workflow uninterrupted during unforeseen circumstances.
- Assisted in onboarding and uptraining new contract workers on the production line, downloading stations and manual lines.

Safilo NADC, Denver, CO - Clerk

January 2023 - November 2023

- Audited over 350 different shipments weekly, looking for inaccuracies within the order based on the manifest
- Packaged and prepped over 300 orders weekly, going for delivery via FedEx and UPS by printing and attaching all shipping labels to the orders.
- Monitored over 1000 orders daily on the system to assure orders are being picked on time to meet our shipment agreement with our customers.

Denver International Airport, Denver, CO - Cabin Cleaner

March 2024 - January 2025

- Lead a team of 3-4 cabin cleaners to clean, sanitize, and restock aircraft interiors such as seats, tray tables, lavatories, and overhead bins between flights to ensure a safe, clean, and comfortable environment for passengers
