## Work Experience

---

### **Maintenance Technician**

Springwood Retirement Community - Arvada, CO

February 2022 to Present

Fix anything in an apartment. Appliances, plumbing, HVAC, etc. Grounds maintenance experience, such as landscaping and irrigation.

### **Arborist**

Rocky Mountain Tree Care Inc

August 2019 to Present

- Show up every morning at 645 to start my truck so I'm ready to leave at 7
- Search for the tree(s) on the work order upon arrival.
- Depending on customers orders, I Prune, remove deadwood, or remove the tree in its entirety.
- During snow we would do 10 hour plow shifts. (Usually apartment complexes and business parking lots)
- I started as a groundsman and worked my way to a ground trimming.
- I have 3 years experience landscaping as well at Alpine Winds Landscape and Maintenance

### **Seafood Processor**

American West Foods Inc - Denver, CO

January 2022 to July 2022

Retrieve, frozen, seafood from freezer, glaze for preserving, package goods, run meat saw if necessary for packaging, and deliver goods.

### **Maintenance Technician**

Alpine Winds Landscape and Maintenance. - Arvada, CO

June 2016 to October 2019

Started off by mowing lawns, picking up leaves during cleanup season. Picking up trash and maintaining different properties. Graduated to maintenance technician and worked on the lawnmowers, aerators, sprayers, etc.

I also did some irrigation work if needed.

### **Delivery Driver**

Western Distributing Transportation Corp - Denver, CO

July 2017 to March 2019

- Delivered goods within the "Western distributing" sister companies. (Dry Dock Brewery, Fineline Graphics, Dillon Towing, Carz Performance, and Western Distributing.) Such as office supplies, Beer and Wine, and car parts. Every Friday during the Summer I would mow the lawn at all of the locations listed above.

- Learned to drive a forklift and got myself certified
- Employee of the month for two months

### **Pipefitter Apprentice**

All Safe Fire Protection - Commerce City, CO  
February 2018 to October 2018

Thread pipe. Doping pipe and heads. Grooving pipe. Setting hangars. Scissor lift and bar joyce hanging experience. Experience with rigid 300.

Wet and dry pipe fitting knowledge with slight experience. I do a necessary tools such as an impact drill, a level, big crescent and small crescent and tape measure. I really want to learn the trade the right way and I frequently ask questions when somethings not clear.

### **Pipe Fabricator**

Allstate Fire Protection Inc - Commerce City, CO  
June 2016 to July 2017

I mainly threaded pipe for material our workers in the Field requested for their job. I also fitted/indented the pipe so couplings could fit on the ends. I also loaded material off of our suppliers truck into our shop via forklift.

### **Maintenance Technician**

Western Distributing Transportation Corp - Denver, CO  
January 2016 to August 2016

Cleaned up a series of six properties. All consisting of trash, pick up, taking out trash, mopping floors, Zamboni, typical appliance fixes. Lightbulb fixes, took care of whatever work orders they had:
