Work Experience

Welder/Water Transfer

Select Water Solutions/ C&H Excavation - Greeley, CO

December 2016 to Present

- The ability to cut with precision
- The knowledge and disposition to constantly inspect all materials
- The ability to respect safety guidelines and procedures
- The habit of maintaining clean workspaces
- The ability to precisely follow directions
- The knowledge and ability required to detect changes in molten metal flows
- Read blueprints and drawings and take or read measurements to plan layout and procedures
- Determine the appropriate welding equipment or method based on requirements
- Set up components for welding according to specifications (cut material with powered saws to match measurements)
- Operate angle grinders to prepare the parts that must be welded
- Align components using calipers, rulers etc. and clamp pieces
- Weld components using manual or semi-automatic welding equipment in various positions (vertical, horizontal or overhead)
- Repair machinery and other components by welding pieces and filling gaps
- Test and inspect welded surfaces and structure to discover flaws
- Maintain equipment in a condition that does not compromise safety
- Minor Maintenance and Janitorial work around the company site
- Used Forklift and telhandler
- Used Skid Steer, Dozer, Back Hoe, Skid loader
- Built corrals/pens for cows/calf/bulls
- Used hand tools and power drills/tools
- Learned how to drive Semis (not CDL certified)
- Cut Drill pipes and other metals
- Greased Tractors/Skids/Excavators and minor mechanic work on them
- Minor agriculture with corn/sugar beet
- Power washed semis and company trucks
- Mig welding/ tig welding/ stick welding/ tack welding
- Structural welding
- Framing/construction
- Built pole barns (full experience, can build one with a 4 man team)
- Sheet metal roofing/water proofing roofing

- Used power saws/chainsaws
- Layed and picked up poly line, lay flat hose, running transfer pumps, and essential equipment for water transfer operations.
- Loading and unloading pipe, field materials, and equipment onto trailers and trucks for safe transport
- Observed machine operations, and gauges, and adjust controls to maintain specified conditions
- Setting and servicing pumps and generators at job sites
- Helped at frac site
- Helped weld pig catchers and pig launchers
- Helped build harpoon
- Operated trailer mounted, diesel-powered pumps to move water through 4-inch poly pipe and/or 4-inch high-pressure hoses.
- Worked on active frac sites monitoring tank levels and operating pumps to move water either onsite from the tank to tank or from an offsite location called a tank yard.
- Transferred water from the pit to location and fracked for long hours traveled from Artesia nm to midland texas and Pecos texas made sure all water pumps
- Transferred water from the pit to location worked for long hours made sure all the line was in good condition made sure water pumps were working good made
- Transferred water from the pit to the location made sure all water pumps were working in good order and made sure the line would not bust also made sure.
- Set up pumps, poly-pipe, pressure tested lines and manifolds to water tanks for fracking Responsible for completion of reports and equipment.
- Monitored frac tanks/upright tanks/AST levels continuously/intermittently ensuring that they keep levels within specified limits.
- assembling pieces of metal together or repairing damage in metal components using heavy machinery that emits high heat, melting the metal into shape

Education

High school diploma

Northridge Academy High School - Greeley, CO

May 2014 to May 2019

Skills

- Farming
- Animal Care
- Landscape Maintenance
- Animal handling
- Agriculture
- Farm machinery
- Irrigation
- Basic maths
- Heavy lifting
- Minor construction (5 years)
- Landscaping (2 years)

- Roofing (1 year)
- Minor Diesel Mechanic work (1 year)
- Tractors-trailers (2 years)
- Welding
- Equipment Repair
- Forklift
- Oil & gas
- Construction
- Load & unload
- Heavy lifting
- Backhoe Operation
- Assembly
- Carpentry
- Outdoor work
- Power tools

Languages

- English - Fluent
- Spanish - Fluent

Certifications and Licenses

Driver's License

OSHA 10

Forklift Certification

Welding Certification

Water Certification

Confined Space Certification

MSHA Certification

Pallet Jack Certification
