I help guide others in making effective decisions. I am eager to learn more valuable skills every day. I am an enthusiastic professional working as a welder wherein the job responsibilities are not limited to the extent of welding, mig, coating, and some fabrication, etc. Experienced working on carbon steel, steel, and aluminum; electrode welding as well. Worked on steel cages, stairs, rails, and aluminum projects. Inspected projects for oil companies, lead welder, and professional grinder user. Operated angle grinders to prepare the parts that must be welded.
