

Richard Cooke

Maintenance and mechanical position desired.

Denver, CO 80209

redmanwhitecolorado@gmail.com

+1 443 523 7437

I am searching for a position allowing me to use my previous experiences and knowledge and provide an opportunity to learn and grow.

Willing to relocate: Anywhere

Authorized to work in the US for any employer

Work Experience

Driver/Tech

Masek Rocky Mountain Golf Cars - Denver, CO

July 2021 to Present

Delivery and pick up of rented and purchased golf cars and utility cars. Also do service and repair on these vehicles.

Mechanic

Glen Riddle golf club - Berlin, MD

June 2016 to February 2021

I serviced and repaired various types of equipment used in the industry. This included gas, diesel and electrically powered equipment. I also kept the cutting units sharpened and properly adjusted.

Resident Manager, Maintenance

English Towers Condominium Association - Ocean City, MD

May 2011 to July 2015

For 3 years I performed maintenance on a 120 unit condo. Doing plumbing, electrical and carpentry work. Also painting and grounds keeping. I also worked on building mechanical devices including trash compactor, generator, and water systems.

Maintenance

CATO GAS & OIL - Salisbury, MD

November 2013 to October 2014

At Cato I worked on fuel dispensing equipment and also did facility maintenance in the many stores they owned or were contracted to service.

Education

High school diploma in general, music

Parkside High School - Salisbury, MD

September 1978 to June 1982
