Work Experience

Driver/material handler

CMG Corporation - Colorado Springs, CO
August 2021 to May 2023

Pick up and drop off materials for construction crews

Sales Associate

GM inc - Alamosa, CO
August 2018 to August 2021

At GM Inc my duties were to provide the best customer service possible. Along with having the knowledge of all the products that I was selling. I also had the responsibility of stocking the shelves, keeping the store clean and receive incoming products.

Assistant Manager/ bulk department

Valley food coop - Alamosa, CO
May 2013 to September 2018

At the valley food coop my duties there were to rotate products stock the shelves and run the cash register. I was in charge of the bulk department where I pre packaged products and filled bulk bins. As assistant manager I was assigned to buy, receive, and check in all incoming products. And I also would meet with sales representatives and local vendors once a month to negotiate the best deals for our customers and store. And at the end of the day collect all deposits and close down the store

Heavy Equipment Operator

Rms utilities
May 2009 to December 2013

At Rms utilities my duties were to operate the majority of all the heavy equipment used for installing under ground pipe such as water, sewer, and storm drain.
