Work Experience

sub contractor

Spectrum Inc - Saint Paul, MN

June 2003 to Present

I've worked with this company since fresh out of high school. Off and on I worked for my uncle first I started painting and doing light demo and labor and then after a couple years I realized that painting houses can be seasonal work sometimes and bills needed to be paid so sub painting is temporary and I need something longer-term for now I have a kid and my responsibilities
