Work Experience

Big Lots

Big Lots

February 2020 to July 2020

At Big Lots, i did just about anything you can imagine.

- Load outs of HEAVY furniture (sometimes alone)
- Stocking the store /giving recovery to the shelves for the customer.
- Cashier
- Unloaded truck every week (1.2kpcs - 2.5kpcs)
- Collect Carts
- Coved Handling (spray with Multi.)
- Opening (6am*prep - 9am open - 7pm)
- Closing (12pm - 9:45pm) / two lunches

Ive had to deal with rude, ungrateful, and mean customers. But i always keep my cool because i have a job to do. Protecting customers and the store.

But if there was a problem, then at BL we would radio "karen" to the location.

And a manager would intervene.
