## Education

---

### **High school diploma**

## Skills

---

- CNC
- Calipers
- Mechanic Experience
- Plastics Injection Molding
- Micrometer
- Manufacturing
- Welding
- Mechanical Knowledge
- Assembly
- Equipment Repair
- Forklift
- CNC Lathe
- Quality Inspection
- CNC Milling Machine
- Machining
- Calibration
- Automotive Repair
- Low Voltage
- Precision Measuring Instruments
- Brake Repair

## Additional Information

---
