**Objective:**

My name is Robert Ryan I am 36 yrs old In 2006 I successfully attended and completed the required 180 hour driving course in Peducah, Kentucky called Professional Truck Driving School to obtain my class A CDL license. After attending this school, I started working for Swift Transportation. While working at Swift, I had received training for six weeks with a certified trainer before being released to solo. Since working for Swift trans I have worked at a couple other Jobs to make ends meet. My most recent employer Lhoist North American Minerals is a Mining facility but all the transportation aspect of this job did not require a CDL to operate their equipment so I never renewed my cdl though is not an issue to obtain if need be by employer.

**Abilities:**

My ability's are very broad and range from operating Heavy equipment to welding to preventative maintenance and Repair on Heavy Equipment. Including front end loaders 950k,966k,988k,D9 Cat Dozer 155 komatsu dozer 155ex,excavators cat 345,375 ,forklift,backhoe heavy haul off highway trucks cat 771,769 komatsu hm400, Genie Manlift rock breakers,fuel truck,bobcat, Rock crusher and conveyor systems.
