## Work Experience

---

### **Forklift Operator/Material Handler**

Tilsner Carton Comp. - Saint Paul, MN  
July 2018 to July 2019

Move material through out the plant to and from warehouse and machines use a forklift. Load and unload trucks. Properly scan and inventory product for one location to another.

### **Warehouse Inventory Specialist**

Home Depot #72 - Saint Paul, MN  
October 2017 to July 2018

Replenishing all locations in the warehouse using scanners, pickers, forklifts, and computer systems, performing cycle counts and maintaining accurate records to keep track of existing inventory, and eliminating non existing. Etc..

### **Warehouse Associate**

Northern Metal Recycling - Maple Grove, MN  
August 2016 to April 2017

I would handle most receivables through the warehouse. Making sure every thing was inventoried and put in its place. I would perform purchasing and payout duties. Move items around in warehouse using a sit down fork lift. I would also load and unload trucks as needed.

### **Sales Associate**

Market source - Saint Paul, MN  
September 2016 to February 2017

Sell and market tech products for target tech. Provide an amazing and welcoming experience to all customers.

### **Machine Operator/ Hand Stainer**

Artistic Finishes inc. - Roseville, MN  
April 2013 to June 2016

#### Responsibilities

I set up, load, unload machines using forklift, and perform QC duties the majority of my work day. Using hand tools such as calipers, tape measure, power tools and so on. On my machine I adjust speeds, movement, pressure, adjusting to a variety of profiles. As a Hand Stainer my responsibilities were to accurately blend client approved custom samples to the product. With focus on color, stain density, tint, etc. Perform consistent quality checks regularly. I would blend stain to a massive variety of species, wood colors, tints, and patterns.

## Accomplishments

ive aided in the overall process of my area. And became a lead.

## Skills Used

mechanical aptitude. My five years of machine operating exp. I use a lot of math, reading, accurate logging of my work.

## **Sales Representative**

Sprint by choice wireless - Minneapolis, MN

August 2012 to September 2013

I would sell sprint products and services, provide, setups and trouble shooting, handle agreements, do inventory, hand disputes., and train other sales reps

## **torch operator**

DC Demolition - Luck, WI

August 2012 to March 2013

## Responsibilities

I operated a high pressure torch to cut metal scrap down to specific measurements. To be shipped elsewhere.

## Skills Used

running a torch. Reading tape measure, and blueprints.

## **Assistant Furnace Operator**

Spectro Alloys Inc. - Rosemount, MN

July 2006 to July 2011

## Responsibilities

Operate metal burning furnace. Run the furnace tap end. I operated a variety of equipment in compleating my job. Such as, front loader to fill the furnace, micrometer and tap drills to check specs. I also used a flux wire feed welder to weld the final product to customer specifications. I would prefome maintenance on all equipment to maintain it.

## Skills Used

welding, heavy equipment operations, machine operating.

## Education

---

### **Some college in Machine technology**

St. Paul College - Saint Paul, MN

2013 to 2014

## Skills

---

Forklift Operator (10+ years), Warehouse (2 years), forklift, Inventory Control, RF scanner, Pallet Jack, shipping, Shipping And Receiving, Cherry Picker, Microsoft Word
