Very energetic and dynamic professional 3+ years forklift operating, 4+ years of customer service and sales experience, and 3+ years of order selecting and pallet work. Great work when under pressure and develop great customer and work relationships. Excellent Customer Service and Also great with order selecting and completing goals of the job assignment itself.

Authorized to work in the US for any employer

## Work Experience

---

### **Forklift • Forklift Operator**

Premier Solutions

October 2022 to September 2023

I was required to keep up with the sales per hour needed when it came to getting customers to buy direct tv, also great at closing cold calls and getting people to buy or services. I was also required to have several orders picked and stacked up to be shipped out where they where going in a timely manner and have a specific amount of pallets done in a decent amount of time.

### **Package Loader**

UPS Warehouse

January 2020 to October 2022

### **Cable Sales Representative • Empereon Constar**

Call Service

February 2016 to May 2020

## Education

---

Academy of Urban Learning - Denver, CO, US
