Experience

Warehouse worker

Labor Ready

June 2014 to November 2014 (4 Months)

I would report to the job location and check in with the supervisor on duty. Then go through a short briefing to find out more about the job and then get with the team leader about what to do next. Then I would perform the duties of the job description until the end of the shift

Education

Westminster High school

None, 2002

None
