

Robert Webster

Warehouse Worker/ Material Handler

Covington, KY
sidekicktrip@gmail.com
859-320-2608

I am looking for a company in which I may be hired as full-time employee where I can best utilize my skills and experience.

Work Experience

Warehouse Worker

TLC - Covington, KY
September 2018 to Present

Work assembly line

Warehouse Worker

Dry Ridge, KY
January 2016 to June 2018

Worked various temporary jobs in the warehouse industry.

Picker

Richwood, KY
May 2017 to November 2017

Picked daily orders using RF scanner

Cherry Picker Operator

Perfetti Van Melle USA - Erlanger, KY
August 2016 to November 2016

Operated Cherry Picker to pull the daily orders using an RF Scanner

Machine Operator/Forklift Operator

Fugi Auto - Walton, KY
June 2016 to August 2016

Operated several machines simultaneously in the rocker recliner department. Also used the forklift to occasionally stock parts.

Lift Operator

Wayfair - Erlanger, KY
April 2016 to June 2016

Erlanger, KY

April 2016 to June 2016

Unloaded trucks and also used an RF scanner to label the product for put away or reshipment.

Lift Operator

Pratt Display - Walton, KY

Manager/Driver

Midwest Moving Company - Florence, KY
November 2015 to March 2016

January 2012 to January 2016

Began as a mover and went on to become driver performing daily moves and furniture deliveries. Later became manager where I booked and coordinated the moves. Had daily customer interaction and handled the billing and payments also.

Cherry Picker

Hebron, KY
September 2015 to December 2015

Drove cherry picker and used RF scanner to pick the daily orders. Occasionally would work in the pick/pack department.

Assembly Line Worker

Toyota - Georgetown, KY
May 2011 to December 2012

Began on the engine assembly line and later transferred to the wire assembly line.

Driver

CSI of Williamstown - Williamstown, KY
March 2005 to March 2011

Drove the garbage truck on a single man route picking up 7-12 tons daily. Had daily customer interaction. Maintained DOT logs and route sheets.

Robotics/Shipping - Florence, KY
January 2001 to January 2005

Began in the sanitation department where I cleaned all production equipment nightly using caustic and acidic chemicals. Later moved to the shipping department where I obtained my forklift license. Operated and maintained Fanuk robots that palletized the final product.

Education

Some college
