

ROBERT WILKERSON

227 B 2nd Street
Clifton, CO 81520

Phone: 970-852-9083
E-mail: broncolover.72@yahoo.com

Objective

Obtaining a position where I can utilize my skills and expertise in the energy field.

Profile

Versatile, quick learner with strong leadership skills & background who loves a challenge and adapts well to new situations. Able to thrive in a fast-paced environment that involves managing multiple tasks simultaneously. Self-motivated; works well with very little supervision.

Work History

2016 to Present, Flowback Operator, **Saenz Contracting / Circle M**

Responsible for staging ("rigging up") the job as directed, operating and monitoring Flowback equipment (such as water, gas and oil separators) according to customer specifications. Also responsible for maintaining a safe work area and promoting safe working practices on site. Reading and recording accurate gauge measurements and making sure that all malfunctioning parts in the field are replaced accordingly. Experienced in strapping tanks, dropping sand, well testing, hydraulic drill-outs, production sites, high pressure manifolds, etc.

2002 to Present, Owner/ Operator, **Too Strong Tattoos**

Own and manage all functions of the business. Schedule tattoo artists, maintain chairs for lease, confirm compliance with all OSHA safety guidelines, product management/ inventory, cost analysis, bookkeeping and payroll. Specializing in tattoo cover-ups. *Currently operating part time as a freelance artist.*

1991 to 2001, Lead Cook / Kitchen Manager, **Texas Dept. of Corrections**

Responsible for the management of all kitchen functions. Supervised and trained all cooks / prep cooks, managed scheduling, created and maintained menus,. Also responsible for product management, ordering, inventory and bookkeeping functions.
