## Work Experience

---

### **Assembler**

February 2017 to August 2017

- Further increased my knowledge of manufacturing techniques through packaging and assembling large steel boxes with power and hand tools • Aided my line lead in his duties by learning how to locate and safely transfer new jobs from the storage area to our line • Developed a strong work ethic as a result of a high demand for output

Brake Setup, Tenere, November 2014-February 2016 • Facilitated as a trainer for new hires, providing instructions on how to perform job duties and safety procedures • Established a high level of critical thinking and problem solving from improvising with the tools at hand to setup and finish orders • Acquired knowledge in the efficient running of a business on the production level through attending multiple Lean Manufacturing classes and seminars

### **Technical Apprentice**

TENERE Inc - Dresser, WI

November 2014 to February 2016

- Facilitated as a trainer for new hires, providing instructions on how to perform job duties and safety procedures
- Established a high level of critical thinking and problem solving by improvising with the tools at hand to setup and finish orders
- Acquired knowledge in the efficient running of a business on a production level through attending multiple Lean Manufacturing classes and seminars

### **General Laborer/Journeyman Carpenter**

Tom Willey Construction

January 2006 to May 2014

- Gained knowledge in multiple aspects of construction by remodeling homes in a small crew which required me to learn multiple trades at once • Helped my father run his business by transporting materials to jobsites and general direction of tasks for the crew to complete

## Additional Information

---

- Aided in the transportation of materials to and from jobsites in a timely and efficient manner
- Acquired a high attention to detail through the cleaning and staging of houses prior to going on the market
- Developed a strong work ethic as a result of aiding my father in the running of his business
