Summary

I have 10+ years working as a machine operator. I have work on several different machines the Johnstone, Titan, Bosch and faustel. I have worked and the food services area for about 3 to 4yrs. I'm also a slitter operator have experience In cutting paper and steel. I have cut paper for tootsie roll, land o lakes butter and golden graham. Cut steel for different tubing company's as well.

I'm a certified forklift operator. I'm certified on several different forklift trucks. Such as the reach truck, counterbalance truck, order picker, powered pallet trucks, and walkie/rider pallet.

Accomplishments

I've learned how to operate the slitter machine. I got my certification and forklift as well. And I've have 12+ years and warehouse.
