Work Experience

Wendy's Crew Member

Wendy's /COS - Manchester, NH
October 2017 to Present

I handle money and deal with customers all day and attending to there needs.

Cashier

Penguin Fuels - Laconia, NH
February 2018 to March 2018

Handle money and also deal with customers every day. I was responsible for closing so I had to count scratch tickets and the safe and count down my drawers for the start of a new day. I also cleaned the place and took out trash.

Assembler

Ladesco - Manchester, NH
August 2017 to February 2018

I would assemble wire that then went to be sauterd. I would also check the parts to make sure they are correct size. I would be required to make 500 too 700 parts a day.

Laborer

Jason Drouin Custom Homes - Belmont, NH
January 2016 to August 2017

Take measurement accurately and know about geometry so we could order concrete. Id have to do a lot of physicial labor with forms and other things we used to do concrete.

Education

Math in Math

Laconia High School - Laconia, NH
September 2008 to June 2012
