Experience

Pipe layer, General Laborer 06/1993 – 08/2003
Arts Sewer and Water Service Wichita, KS

Made sure that all workers were safe and attentive for the task at hand. Mixed and laid concrete to raise top of manhole to the street level, installed and repaired roofs, flashings and surfaces. Mixed mortar, plaster and grout according to standard formulas. Performed heavy labor such as ditch digging, paving and hauling. Continually cleaned work areas and equipment, arranged and stored materials, machines, tools and equipment. Used a pick and shovel to dig, spread and level dirt and gravel. Assisted skilled workers with construction projects in all phases of rough and finish carpentry.

Mainline Pipe layer I Laborer 10/2003 - 09/2006
Dondlinger and Sons Const. Wichita, KS

Mixed and laid concrete to raise top of manhole to the street level. Cleaned all construction areas to avoid hazards. Performed heavy labor such as ditch digging, paving and hauling. Completed indoor and outdoor

residential and commercial construction projects. Arranged and stored materials, machines, tools and equipment. Cut materials to specified sizes for installation using power saws and tile cutters. Transported materials, tools and machines to installation sites. Used a pick and shovel to dig, spread and level dirt and gravel.
