PROFILE

I am a motivated young worker looking for opportunities to excel and distinguish myself above the rest. I am friendly, calm, and reliable.

EXPERIENCE

- **Ski Instructor, Vail Resorts, Vail 2007-2014**

I have worked under the Golden Peak 3-6 year old children's program for seven years. I teach all ages, families and levels of skiing. I teach both group and private lessons. Through ski instructing, I have gained an enormous amount of experience in customer service, teaching, and training others.

- **Agent Life Insurance Producer, American Income Life March 2014-May 2014**

As an agent, I work one on one with families to create the right life insurance coverage packages based on each family's needs. This entails traveling all over the state to visit with policy holders and new customers in their homes to clearly explain the different types of life insurance and how each fills a certain need.

- **Featured Artist in Tiger Pop Culture Gallery, Vail February 2014-April 2014**

My digital work and paintings were both featured in Vail's newest and only urban and street art gallery. As the featured artist, I painted during the show's reception. My digital works were a collection of hypnotic, photoshopped models considering geometry and repetition. My paintings were a series original comic art commissioned by the gallery.

EDUCATION

- University of Colorado, Boulder Bachelor of Arts, Studio Art, 2012.

I can create any type of image or document using these programs.

- **Photography**

I am a long time photographer stemming back to my time as a reporter in high school. I know how to shoot events, portraits, scenery, action, or any other.

- **Drawing and Painting**

My emphasis for my studio arts degree was in drawing and painting.
