

Russell Lewis

Motivated individual with management experience

Colorado Springs, CO 80919

russngina@gmail.com

2393229884

I am looking for an opportunity in Warehouse Management in the Colorado Springs or Denver area. I am a motivated, dedicated and responsible individual that is looking for an opportunity to continue my career with a company with a like mindset. I have nearly 20 years of customer service experience and over 19 years of supervisory experience with 15 in Delivery and Service and 4 in Warehouse Management. I have managed a large scale, top end Anheuser Busch warehouse in Fort Myers, FL who has been AOE (Ambassadors of Excellence) certified from Anheuser Busch for the past 3 years. We were also Sharp Certified from OSHA during that period. I specialize in efficiency, accountability, streamlining processes, quality of control and product handling. I am proficient with inventory software specifically with VIP, EOStar and Netsuite. I also have 5 years of sales experience and experience operating heavy equipment.

Willing to relocate: Anywhere

Authorized to work in the US for any employer

Work Experience

Warehouse Manager

ExtractionTek - Englewood, CO

April 2019 to August 2019

I was responsible for the day to day activities of an emerging extraction company within the cannabis industry including:

- Shipping of ancillary parts to various customers throughout the United States and Canada and also shipping of entire extraction vessels also throughout the United States and Canada
- Receiving of ancillary parts and pieces for the extraction vessels as well as option equipment for the extraction vessels (heaters, chillers, pumps etc)
- Inventory management both counting and within Netsuite
- Customer service - help walk in customers with questions and sales
- Register experience - deal with cash, credit card and house accounts within Netsuite
- Contract negotiation - worked with UPS on Capital Insurance for all of our freight and small packages

- Shipping negotiation - worked with UPS, R&L, Globaltranz, Unishippers, Worldwide Express, and XPO to determine lowest cost and fastest options for our freight shipments
-

Warehouse Operations Manager

Suncoast Beverage Sales - Fort Myers, FL

March 2015 to April 2019

I was responsible for the day to day activities of a top Anheuser Busch wholesaler, including:

- Supervise 23 employees and 1 supervisor
- Inventory on over 1000 different cases and kegs totaling over 5 million cases per year

- Staffing - interviewing, hiring, training, counseling, 90 day & yearly appraisals, termination
- Receiving - oversee receiving of 18 to 20 loads per day
- Contract negotiations - negotiate contracts with staffing companies and with recycling/environmental companies
- IT - responsible for upkeep of warehouse locations (over 1000) and picking information (par levels, sequencing, new locations for new products)
- Daily planning for employees - receiving, filling pick line, events etc
- Maintaining OSHA standards daily - PPE, equipment inspections, lock out/tag out, hazard identification
- Payroll for 24 employees
- KPI's - truck unloading statistics (daily, weekly), night picking (daily, weekly), repack numbers (daily, weekly), recycle information (daily, weekly), BOL accuracy (daily)

Achievements:

- AOE certified distributor from Anheuser Busch 3 years in a row
- Improved load accuracy at night from 94% to 99%
- Sharp Certified by OSHA for 3 straight years

WMS Software

- 2 years VIP WMS
- 1 year EOstar WMS
- 3 years VoCollect Picking

Delivery Supervisor

Suncoast Beverage - Fort Myers, FL

June 2006 to March 2015

As a delivery supervisor, I was responsible for the following:

- Manage 31 employees and 3 supervisors
- Manage 26 routes (8 On premise & 18 Off premise)
- Maintaining knowledge of delivery procedures for over 500 accounts (delivery windows, check in procedures, stocking etc)
- Staffing - interviewing, hiring, training, counseling, 90 day & yearly appraisals, terminations
- Payroll
- Maintaining company standards in regards to customer service and execution
- Maintain a Class A CDL with a clean driving record
- Ensure all direct reports maintained a Class A CDL plus current medical certification
- CDL Class A training to new employees
- Completion of all mandatory tracking of delivery employees with Excel & VIP
- Reroutes and implementation for 26 routes
- Route Consolidation Nightly - review routes on a nightly basis and move stops around to accommodate staffing and volume

Achievements

- Successfully implement 4 complete reroutes based on number of routes, new accounts opening/closing & involving over 500 accounts on each reroute
- Implementation of new/updated software from VIP on 4 occasions including training for employees
- Successfully train 10+ employees on obtaining Class A CDL

- Excellent success rate dealing with upset customers specifically when customers would want different driver/driver kicked out of account(s)
- Reduction in OAP (Out of date) product yearly for team (monthly tracked)

Software

- 10 years VIP software
- 10 years Fleetloader
- 10 years Territory Planner
- 10 years Roadnet
