

Ryan Birkmeier

Fort Collins, CO 80525

ryanbirk@rams.colostate.edu

3316254344

I am entering my fourth-year as a student-athlete at CSU, studying Civil Engineering and competing on the men's cross country and track teams. I am looking for a summer internship position where I can build the skills needed in civil engineering careers.

Authorized to work in the US for any employer
