Professional Summary: A go-getter professional, highly detail-oriented & experienced in managing events, operating heavy equipment & tools, & leading groups safely & effectively; consistently boosted operational performance & customer satisfaction across various sectors.

## Skills

- Heavy Machinery Operation: Extensive expertise in operating sit/stand forklifts, order pickers, press brakes, excavators, & MIG/TIG welding equipment, ensuring efficient load management & precise material handling across diverse industrial settings.
- Inventory Management: Proficient in tracking, organizing, & maintaining stock levels using warehouse management systems to optimize operational flow.
- Quality Control & Safety Compliance: Strict adherence to OSHA standards, proper PPE usage, & maintenance of a hazard-free workspace to ensure safety & quality.
- Hand & Power Tool Proficiency: Skilled in operating drills, impact wrenches, skill saws, sanders, grinders, & other tools for precise fabrication & construction tasks.
- Technical Precision: Adept at reading build plans & executing accurate measurements & cuts for high-quality outcomes.
- Event Planning & Execution: Experienced in designing & managing successful events, aligning with client visions & timelines.
- Team Leadership & Management: Proven ability to lead teams, improve workflows, & foster collaborative environments.
- Customer Service Excellence: Committed to delivering exceptional service, enhancing client satisfaction in high-pressure settings.
- Time Management & Organization: Strong skills in prioritizing tasks & maintaining efficient, organized workflows.

## Professional Experience

### Event Decorator - LMD Productions, Aurora, CO October 2022 - July 2025

- Designed & executed decor for over 50 events, aligning each with the client's vision while managing tight deadlines & safety protocols using ladders, scissor lifts, & boom lifts.
- Collaborated closely with clients & vendors to create cohesive event themes, enhancing customer satisfaction & loyalty; demonstrated creativity & meticulous attention to detail, ensuring high-quality event setups.

**Fabricator - G P Metals Inc, Houston, TX May 2020 - August 2022**

- Manufactured high-quality parts using heavy machinery & hand/power tools like sit & stand forklifts, press brakes, MIG/TIG welders, & grinders, ensuring compliance with safety standards.
- Led team initiatives to improve workflow, reducing production errors by 15%; provided support to team members, fostering a compliant & positive work environment.

**Freight Team Associate - The Home Depot, Broomfield, CO April 2018 - Jan 2019**

- Operated heavy machinery, including sit & stand forklifts, order pickers, Raymond reach trucks, & Ballymores, significantly improving the efficiency & safety of stock placement & organization.
- Maintained sales floor & merchandising by zoning, stocking, rotating merchandise, ensuring displays, following safety & sanitation protocols, processing defective goods, & monitoring security risks & safety concerns.

**Maintenance Technician - Pilot Flying J Travel Center, Oak Hills, CA May 2017 - Oct 2018**

- Conducted routine inspections & maintenance on equipment & facilities to prevent breakdowns; diagnosed & repaired mechanical, electrical, & plumbing issues; performed cleaning, painting, & minor repairs; & maintained/repaired HVAC/R systems, contributing to a 25% increase in customer satisfaction ratings.
- Ensured equipment functionality, including food service equipment; adhered to safety standards & procedures; collaborated with team & supervisors to address maintenance needs; & maintained records of maintenance activities & work orders.

**Lead Detailer - CPR Auto Detail, Denver, CO August 2013 - March 2017**

- Supervised detailing operations, enhancing customer service experience & team productivity.
- Maintained shop cleanliness while supporting & encouraging other staff members.
- Fiberglass, bondo, & sheet metal forming experience.

**Education**

**High School Diploma, Pomona High School, Arvada, CO, August 2013 - May 2017**
