Skilled team player with strong background in customer service environments. Works well independently to handle assignments and always ready to go beyond basics assignments. Quick learner with good computer abilities. I face all my tasks with enthusiasm, dedication, and an exceptional work ethic. I strive to always work and maintain high energy positive relationships with all the people I interact with. I enjoy learning new things for personal growth as well as seeing what I can do to go above and beyond to help others around me succeed.
