## Work Experience

---

### **Laborer**

Integrated Water Services - Firestone, CO

August 2021 to November 2021

Worked on various tasks to help build a water treatment facility. Operated equipment including forklift, skid steer, roller, mini excavator and other small equipment.

### **Equipment Operator**

Circle Graphics - Longmont, CO

March 2020 to February 2021

The job consisted of running large commercial printers which included learning the computer system that goes with each machine and maintaining ink levels, and pulling prints by hand with a large hydraulic cart. The machines required constant maintenance about every hour you would clean the heads and always keep an eye on the format and size to make sure it's up to specifications for the poster being printed.
