## WORK EXPERIENCE

### AERIAL TELECOMMUNICATIONS LINEMAN & TEAM LEAD

#### Pauley Construction – Centennial, CO, June 2015 – January 2017

- ♦ Set new telephone poles and transferred telecommunication lines. Also provided maintenance for existing poles and telecommunication cables.
- ♦ Liaised with power utility companies to safely navigate repositioning of electrical lines.
- ♦ Performed daily vehicle pre-trip inspections to maintain fully functioning/stocked pickup & bucket trucks. Safely operated company pickup and bucket trucks.
- ♦ Read plans, proofed piping and fixed underground piping issues, while creating As-Builts.
- ♦ Laid pipe and pulled fiber optic cable as the primary subcontractor for Century Link, including setting up fiber optics for the GOP Presidential Primary debate in Boulder, CO.
- ♦ Worked on an emergency crew, called to fix problems with damaged telecommunications lines.
- ♦ Worked as Team Lead on Restoration crew – demoing, pouring and finishing concrete and asphalt.

### FOREMAN

#### Garza Concrete Structures – Commerce City, CO, November 2012 – June 2015

- ♦ Managed job site to meet client and contractor job standards, deadlines and safety guidelines.
- ♦ Read grade stakes, set forms and calculated and poured concrete on CDOT and City & County of Denver inlet structures as well as for pond structures, wing walls and various other walls.
- ♦ Liaised with City/County inspectors.

### OPERATOR, MACHINIST

#### Metal Sales – Frederick, CO, August 2011-September 2012

- ♦ Promoted after three months to machine operator of the most difficult, the most expensive and the highest revenue-producing machine in the plant.
- ♦ Responsible for troubleshooting machine malfunctions while maintaining a highly productive pace.
- ♦ Consistently produced the most footage ever done on that machine, within a given day/week.

### CORPORAL, TEAM LEADER

#### Colorado National Guard – Ft. Lupton, CO, January 2007 – January 2013

- ♦ Managed a team by giving direction, oversight and leading by example.
- ♦ Learned to follow direction in high stress environments and situations.
- ♦ Learned a heightened sense of attention to detail.
- ♦ Heavy Equipment Operator Training (Nov 2007 – Feb 2008), *Certified*

### SALES REP, DOOR-TO-DOOR DELIVERY DRIVER

#### Royal Crest Dairy – Longmont, CO, December 2010-July 2011

- ♦ Accurately inventoried, loaded and delivered products door-to-door to hundreds of houses weekly.
- ♦ Performed daily vehicle pre-trip inspections to maintain a fully functioning company truck.
