Work Experience

VMI/Warehouse Associate

Standard Electric Supply Company - Appleton, WI
January 2019 to March 2020

Receive in product and put it away as it comes in. Pick product as orders come and pack them into boxes. Ship product with Starship system. Count inventory and audit orders that have been picked to ensure accuracy. Delivery of products to local customers. Place orders for parts at our customers locations after managing their inventory. Maintain a healthy and positive relationship with all customers

Distribution Coordinator

Pacon - Appleton, WI
September 2016 to December 2017

Packing orders that are ready to be shipped, Working with SAP to pack orders, Data Entry, Auditing orders to make sure palletized shipments are correct, Scanning BOL's into SAP, Shipping doors and trailer counts, Detail oriented work to ensure correct billing and customer satisfaction, Completed safety video and minor training on picker

Supervisor

Appleton Deck Renewal - Appleton, WI
March 2016 to September 2016

Load truck with proper supplies, drive to work site, replace failing boards, sand decks to a smooth touch, mix stain and apply to deck, maintain a cleanly work area and ensure housing and yards are not damaged by our stain, I check over all of the deck to make sure it is completed to a satisfactory level

Outside Sales Representative

Mach IV Motors - Appleton, WI
January 2015 to December 2015

Completed jobs of all different levels of difficulty, Assisting in tear down of motorcycles, cleaning of motorcycles, photographing individual parts, fast paced shipping department pulling info from E Bay to find orders, box them, create labels and tracking, some forklift experience moving motorcycles around the warehouse, drove Dually Truck with 25 ft trailer cross country picking up motorcycles for 5 months of this job, buying bikes and working out deals for them, it was my duty to provide safe transport of cargo

Front Office Manager

Microtel Inn & Suites - Appleton, WI
October 2011 to August 2014

I managed a small group of individuals focusing on providing the best service to our guests, created schedules, maintained inventory on rooms, organized and maintained a cleanly and easy work environment for fast check ins and check outs, made and moved reservations, kept inventory on all supplies necessary for hotel operation, completed end of month sales reports, counted and deposited cash revenue
