## Sabrina Gessell

---

**Objective** Maximize my talents and experience that will continue in my development both professionally and personally.

**Experience** **April 2018 - February 2020 Sam's Club/Wal-Mart Aurora, CO**  
**Assistant Store Manager**

Develop leadership of Grocery, Backrooms, Cooler, Freezer and total store.

- Manages facility operations in areas of responsibilities and total store
- Oversees and enforces the execution of process and the standards of the store
- Carefully interviewed, selected and supervise leaders and associates.
- Resolved customer service comments and complaints
- Worked and trained associates with the ecommerce in store process

**June 2016 - April 2018 Sam's Club/Wal-Mart Highlands Ranch, CO**  
**Assistant Store Manager**

Develop supervisor of the Bakery, Meat, Deli, Produce and freezer/cooler.

- Manages facility operations in fresh departments overseeing multiple associates in Meat, Deli, freezer/cooler, Produce and Bakery
- Oversees and enforces the execution of food safety standards, cold chain compliance and food merchandise quality
- Carefully interviewed, selected and supervise leaders and associates.
- Conduct and complete monthly Inventory of all Fresh areas

**Feb. 2011 - June 2016 Sam's Club/Wal-Mart Denver, CO**  
**Fresh Assistant Manager**

Develop leadership of Bakery, Café, Meat, Deli, Produce, and Freezer/cooler.

- Manages facility operations in fresh departments overseeing multiple associates in Café, Meat, Deli, freezer/cooler, Produce and Bakery
- Oversees and enforces the execution of food safety standards, cold chain compliance and food merchandise quality
- Carefully interviewed, selected and supervise leaders and associates.
- Conduct and complete monthly Inventory of all Fresh areas
- National Food Safety Certified
- Opening and closing procedures for total store

Started as the Café team lead in February of 2011, moved to the Bakery team lead in September of 2011 and become the Fresh assistant manager in April of 2013.

**Jan. 2001 - Feb. 2011 Best Buy Service Aurora, CO**  
**Inventory Supervisor**

Investigate and count inventory in the building using excel and a database systems to stop shrinkage and help profit to the P&L.

- Audit shipping, receiving, out to vendor and return to vender shipments to prevent loss.
- Developed a process for handling BOL'S from stores and vendors for product received and shipped to prevent shrink
- Train and facilitate retail stores with database systems to maintain their respective inventory integrity.

Started at Best Buy as a shipper/receiver moved to OTV, then worked in the parts department, worked in quality assurance and moved to an Inventory Supervisor.
