Work Experience

Warehouse Associate

Hercules OEM - Burnsville, MN

October 2020 to February 2022

To start off we would have morning meeting and take inventory, we would scale out are products, sealing, and packaging the products. I would lift heavy boxes and print out labels and documented all the products we packaged. We would do a community clean at the end of a shift, then we would shut down the machines. I did my forklift training here and was very efficient and did quality work.

Cook/Dishwasher/Prep

Hy-Vee, Inc. - Lakeville, MN

October 2018 to November 2019

I was good with multitasking and moving up in the work i did and i started doing dishes and worked my way to cook and prep as well as stocking and doing other departments and was efficient at my job

Assistant Manager

Pizza Ranch - Lakeville, MN

February 2017 to September 2018

I helped the managers with paper work and managing the schedules as well as working in the kitchen and customer service and helping others so they were satisfied and made sure things were clean and was very responsible with my work
