

about me

It's been 7 years already! Seven exciting years of picture making and working with some of the most prestigious clients in the world. So, what's missing? A team! Synergy! I wish to take my career to a creative environment that I can call home. I am highly motivated and will embrace any challenges that a new position might offer.

education

Major in Communication Arts

Studied Design, Illustration, Painting, Concept Art and Sequential Imaging.

Bachelor's Degree in Fine Arts

Virginia Commonwealth University

summary

- Diverse experience in visual problem solving and adept at meeting tight deadlines.
- Collaborated with national and international clients on a broad range of revenue-generating advertising and illustration projects.
- Provided editorial illustrations to over fifty clients world wide for over six years.
- And loved every minute of it!

experience

2005-Current

Commercial artist. I work as an illustrator, Designer and Photographer for national and international clients. I have worked with **General Mills** on the *Fruit by the Foot* advertising campaign, created production drawings for **Mountain Dew's DewMocracy** campaign and worked with **Oakley** in creating concept art for **Seth Morrison's** ski outfit advertising campaign.
-just to name a few.

2006-2010

Faculty at VCU. Instructed courses such as: Digital Drawing, Concept Art & more.
