

SAMANTHA WOODFORD

AUTOMOTIVE TECHNICIAN

CAREER OBJECTIVE

Diligent professional with 2+ years of experience and a proven knowledge of back office operations. Aiming to leverage my skills to successfully fill the Automotive Technician role at your company.

PROFESSIONAL EXPERIENCE

TOWER CLIMBER

Viaero Wireless, Fort Morgan, CO / Aug 2019 – Present

- Responsibilities include constructing, erecting, and maintaining cell towers. Abilities needed for the job include excellent dexterity, good communication skills, and the ability to work in a team environment.

VEHICLE CONDITION ASSESSOR

CarMax, Nashville, TN / Jan 2019 – Jun 2019

- Responsibilities include assessing vehicle condition, damage, and relevant paintwork. Strong communication skills and attention to detail were needed to assist senior buyers and customers with vehicle appraisals.

ASSISTANT MANAGER

Valvoline Instant Oil Change, Nashville, TN / Aug 2017 – Jan 2019

- Responsibilities included managing employees, performing basic vehicle maintenance (ex. oil changes, battery services, transmission/radiator services, etc.), and assisting 55+ customers in person and over the phone daily. The ability to work in a fast-paced, team environment was necessary for this job.

FULFILLMENT ASSOCIATE

Amazon, Plainfield, IN / Jun 2017 – Aug 2017

- Responsibilities included picking the correct product based on order requests, packing completed orders, and driving a order picker. This job required attention to detail, proper time management skills, and familiarity with RF scanners.
