Work Experience

Laborer

Live Nation - Minneapolis, MN
April 2018 to Present

My duties and responsibilities obtaining to American Horse Labor (Hired through live nations), is to set up stage production in a timely manner for large or private events. Most of the events take place at The Armory, US Bank Stadium or Target Field.

Direct Support Professional

The MENTOR Network - Stillwater, MN
February 2018 to Present

I provide care to individuals who may need a extra help/support in certain areas of their lives. I enjoy seeing the impact even the little things can do for someone in need. I am CPR certified and, have been approved to pass medications through this company as well as another. Another part of this job was driving residents to and from appointments, family visits, ect. I plan to stay with this company for a long time as I appreciate everything they do for residents and employees.

Caregiver/Personal Assistant

Hometown Senior Living - Woodbury, MN
January 2019 to July 2019

My position at this job was to make sure residents were happy comfortable. I was there for emotional and physical support. I have been CPR certified through both companies and have been approved to pass medications. A few of my many Duties was cooking, bathing, passing medications and provide whatever it may be that the residents need on a daily basis.

Cashier/Customer Service

Beanie's Marina - Lakeland, MN
2015 to 2017

My duties were to help costumers find what type of boat rental would best fit their needs, helping costumers launch boats into the water, and providing our costumers with the tools and equipment they needed to enjoy themselves out on the waters. This company was bought out a few years ago and is now under new management.
