EXPERIENCE

CONSTRUCTION WORK, 08/2017 – 12/2017

GMC ROOFING LLC – STILLWATER, MN

The responsibilities I had to accomplish were to clean and pick up trash around owners' properties. Safely prepared equipment for roofers. Maintained a safe and clean work environment for the team and home owners. I also made sure the owners were satisfied with the job.

PACKAGING, 04/2017 – 6/2017

NORTHLAND STAFFING - SAINT PAUL, MN

In this position I had to package products that were shipped off to different customers, sometimes the supervisor would place me as a lead; which required me to operated machines, lead a group of people and document all the finalized work of the day.

LEAD PRODUCTION, 05/2016 – 10/2016

TMS STAFFING - EAGAN, MN

Managed picking orders for production and making sure they had the right amount of containers and top lids for products to be sent off to different stores. I was a lead in this position; I had to guide and supervise teammates on multiple tasks during the course of the day. A skill I inquired was to use computers to print out any missing labels for production.
