(918) 409-7446

My name is Sam Geiger, highly motivated to start work as soon as possible. I have worked in production and warehouse environments for the past 5 years. Both jobs being breweries, experience with machines and forklifts. I have honestly always preferred manual labor, it creates a great bond with your coworkers and I love to feel like I physically accomplished something impressive at the end of the work shift.

Work Experience

Packaging tech tier 2

Avery Brewing company - Boulder, CO

September 2018 to October 2018

- Worked with and ran bottling, canning, and keg line
