Notification of Colorado Law Requirement – Unemployment Acknowledgement

According to Colorado Statutes section 8-73-105.3. A temporary employee who is given a notice that the employee is required to contact or notify the employer upon completion of an assignment and to be available to work, as agreed upon at the time of hire, during a specified period of time, on specified dates, or upon call by the employer on an as-needed basis and who does not contact or notify the employer upon completion of an assignment in compliance with the notice and is not available to work at the agreed-upon times is deemed to have voluntarily terminated employment for the purpose of determining benefits pursuant to section 8-73-108 (5) (e). Also, a temporary employee who agrees to work on an as-needed basis and refuses all work within three separate pay periods when contacted by the employer is deemed to have voluntarily terminated employment for reasons that may or may not allow an award of benefits pursuant to section 8-73-108.

It is your responsibility to contact or notify ESSG (For example, by calling 303-920-1425, or using another means of contact) once your assignment ends. If you fail to do so, it may affect your unemployment benefits.

I understand by signing this form that I am responsible to contact or notify ESSG once an assignment ends. I also acknowledge that I have received a separate copy of this form. SM (Initial)
